

## Axle Tech Part

Axle Tech Parts - The company of AxleTech International is a big supplier of specialty vehicle drive-train systems and components together with off highway vehicles. They take great pride in being a chosen supplier to their customer base. AxleTech strives to meet and exceed their customers' expectations for quality, service, technology and delivery. They believe in working in an environment which encourages the utmost integrity with empowered collaboration, along with a relentless pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively applying principals of ecological safety and stewardship in how they do business. The company has put various programs in place to be able to articulate these values in their business policy. AxleTech happily shares this policy and welcomes interested parties to offer them with any questions or comments, as they are happy to share and promote this policy with a greater understanding of their efforts. They are extremely devoted to improving and preserving the natural world. AxleTech has an EHS program that not only protects the natural world but which even actively protects their neighbors and employees also.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in designing and manufacturing planetary axles for both military and commercial applications. These applications vary from airport ground support to construction equipment. AxleTech specially designs axles to meet certain application demands. They have more than 1000 different axle specs in their existing offering. With over 100+ years of experience and history, AxleTech proudly supplies the most complete solution for any of your axle needs. The business is well known in several commercial and military applications. They offer complete axle assemblies used for aftermarket replacement requirements, together with servicing axle requirements for OE production. Their high mobility ISAS have added details that could be found in the "ISAS" product collection.
