Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with successfully marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to offering new design concepts and top quality so as to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They enjoy offering items that energize both their dealers and their partners and offer production gains to their customers.

The team at TREK enjoys tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' requirements and skills combined with their understanding of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

The personnel at TREK and their dealer-partners are strongly committed to having both parts and technical support available when it is required. Their high service dedication is among the core values in their customer service. Keeping their customers' cleaning equipment running and ready day after day is top priority. The company's top of the line technology delivers dependable equipment that ultimately lowers your cost of cleaning. The service, the product and the price all work as one to be able to make them the leader in the trade.
